Fathers Day pictures continued

Father's Day is celebrating its 100th anniversary this year on June 19, and it all began when a young woman wanted to honor her dad. In May of 1909, Sonora Smart Dodd of Spokane, Wash., sat in church listening to a Mother's **Day** sermon. She decided she wanted to designate a **day** for her dad.

Courtyard Pictures & Tomato Plants

Our dining room is now open!!!

We have made it safe for our tenants to be able to eat in the dining room. All of them have been excited for this new step.

Pictured to the right is June Roskilly and Dale Maatsch enjoying their meal.

Entertainment by Bill Chrastil

We enjoy when entertainers are able to still come to Cedarwood. Thank you to Bill Chrastil for coming and playing for us outside. We are able to do this with the new wireless PA system that was purchased.
