CEDARWOOD ASSISTED LIVING

Cedarwood Chronicle

First of all I am so Thankful to have Gods word to lean on during this time. Isaiah 41:10 has become a favorite of mine.

It is hard to believe that Fall is upon us. As I am reflecting on these past several months I am overwhelmed by the outpouring of love we have received from all of you. Thank you from the bottom of our hearts for everything you have done for Cedarwood tenants and staff members during this pandemic. What I am most Thankful for is the trust you have placed in us to keep your loved ones as safe as possible as we work through this pandemic together.

We have received some new guidance from Centers for Medicare and Medicaid Services (CMS) pertaining to visitation as we move into cooler weather. Outdoor visits are preferred as they pose a lower risk for transmission due to increased space and airflow. When the weather does not permit this, we can move to indoor visits! Here are the guidelines:

There has been no new onset of Covid-19 cases in the facility in the last 14 days. We have to limit the number of visitors in the building at one time. Each tenant can have 2 guests per visit. Please call at least 2 days in advance to make your appointment. Appointments can be made Monday through Friday from 8am to 5pm by calling Cedarwood at (402)729-6100. If you have to cancel your appointment for any reason, please call us as soon as possible so that someone else can have that time.

We are required to limit your movement in the facility. Visits will be limited to one hour so that we can accommodate 51 tenants wanting to see their loved ones. We will walk you to your loved one's apartment and when you are done visiting or the hour is up, we will walk you back out of the facility.

You will be screened at the front door and must answer no to all questions you will be asked concerning symptoms and exposure to Covid-19

YOU MUST KEEP YOUR MASK ON AT ALL TIMES WHILE IN THE BUILDING.

You will be asked to use hand sanitizer upon arriving. Anytime you touch your face during the visit we ask you to use your hand sanitizer again which is provided in each apartment.

Social distancing must be followed at all times.

At this time, we are only allowing family members to visit indoors.

Please remember this can change at any time.

Again, thank you for the honor of caring for your loved ones. We are lucky to have them in our lives as well.

Grace and Peace,

Becky Bruce

Scavenger Hunt

The tenants have a fun time looking for items that have been placed around Cedarwood. None of the items are ever put in apartments. This I have also found to be a joint effort sometimes. This time, they even got help from Becky Bruce, Director of Nursing.

Bill Christel

Johnny Ray Gomez

Cedarwood State Fair

This year for National Assisted Living Week Kim Bush, Activity Director and Jan Klaus Activity Assistant did a “State Fair” Theme. They had tenants bring up items to the activity room to be put on display and had everyone come and look what was all on display.

New Employees
