## Show, Tell & Share

Helen Cunningham was very young when she collected Shirley Temple tea set. These items came inside cereal containers. The cup shared with us is the only piece that she has left from the 6 piece set.

Dona Glenn had a Sea Shell lamp that was purchased by her husband many years ago when he was stationed in Florida with the military. He mailed it home to her.

This family picture on canvas from around 20 years ago in Mount Meeker, Colorado, near Estes Park. This family vacation was planned for all to enjoy each others company due to Shirley battling cancer and Norris had some health issues at this time as well. Thank you Shirley Schoen for sharing this with us.

## Johnny Ray Gomez

The tenants really enjoy when Johnny Ray Gomez comes to Cedarwood and entertains them.

## This and That

With warmer temperatures you will be seeing tenants out walking. Please remember to use sidewalks when possible.

If you have ideas of what you would like to see in our Courtyard, please give them to Becky or Kim O.

**Lending A Helping Hand**      A big shout out to Becky Bruce, LPN for helping Linda Wolfe repot her plant.

## Satisfaction Surveys

Thank you to all tenants and family members who have filled out surveys and returned them.

Surveys help us to determine if there are areas where we can serve our tenants better, and if there are areas where we can recognize staff for doing a great job.

We want our tenants to feel at home here—and to be safe, comfortable, healthy, as active as they are able, and well fed.

We welcome the feedback of our tenants and family members who represent them.
